# Subject Index

## THORACIC - THORACOABDOMINAL AORTA

- Abdominal and thoracic coarctation of the aorta with bilateral renal artery stenosis. M. Stelzner, S. Horsch, D. Beyer (*Koln, West Germany*) ..... 486-488
- Disseminated intravascular coagulation as a result of supraceliac clamping: implications for thoracoabdominal aneurysm repair. J.R. Cohen, L. Angus, A. Asher, J.B. Chang, L. Wise (*New Hyde Park, New-York*) ..... 552-557
- Exclusion-bypass for aneurysms of the descending thoracic and thoracoabdominal aorta. E. Kieffer, Ch. Petitjean, T. Richard, G. Godet, M. Dhobb, C. Ruotolo (*Paris, France*) ..... 182-195
- Long-range observations following two-stage occlusion of the descending thoracic aorta for Type III dissection. F. Robicsek, D.E. Allie (*Charlotte, North Carolina*) ..... 244-248
- Magnetic resonance imaging of aneurysms and chronic dissections of the thoracic aorta. Ph. Grenier, J.M. Pernes, M.T. Desbiads, J.L. De Brux (*Paris, France*) ..... 534-541
- Mycotic suprarenal aortic aneurysm. E.A. Suddleson, S.G. Katz, R.D. Kohl (*Pasadena, California*) .... 426-431
- Penetrating atherosclerotic ulcers of the thoracic aorta: natural history and clinicopathologic correlations. A.W. Stanson, F.J. Kazmier, L.H. Hollier, W.D. Edwards, P.C. Pairolero, P.F. Sheedy, J.W. Joyce, C.M. Johnson (*Rochester, Minnesota*) ..... 15-23
- Supraceliac aorta-to-lower extremity arterial bypass. X. Barral, P. Youvarlakakis, C. Boissier, G. Cavallo (*Saint-Etienne, France*) ..... 30-35
- Surgical treatment of a tuberculous thoracoabdominal aneurysm. F. Bacourt, O. Goeau-Brissonniere, P. Lacombe, H. Parlier, M.C. Terestchenko (*Boulogne, France*) ..... 378-381
- Traumatic aneurysms of the descending thoracic aorta. H.M. Becker, J. Ramirez, V. Echave, G. Heberer (*Munich, West Germany*) ..... 196-200

## INFRARENAL AORTA - ILIAC ARTERY

- Abdominal and thoracic coarctation of the aorta with bilateral renal artery stenosis. M. Stelzner, S. Horsch, D. Beyer (*Koln, West Germany*) ..... 486-488
- Anastomotic false aneurysms with aortic dacron graft after twenty-five years. R. Guidoin, A.R. Downs, X. Barral, M. Marois, P.E. Roy, M. King, P. Eng, C. Gosselin (*Quebec, Canada and Saint-Etienne, France*) ..... 369-373
- Angiographically-induced infection of the aorta. P.J. Cullen, A.L. Leahy, K.D. McBride, D.J. Moore, G.D. Shanik (*Dublin, Ireland*) ..... 386-388
- Aortic stump closure: a new technique. F. Bacourt, O. Goeau-Brissonniere, F. Koskas (*Boulogne, France*) ..... 271-272
- Aortitis presenting as Buerger's disease. R.A. White, S. Peng, S.R. Klein, G. White, J. Uitto (*Torrance, California*) ..... 591-594
- Aorto-femoral bypass with polytetrafluoroethylene prostheses: preliminary results in 363 cases. J.M. Cormier, C. Laurian, Y. Noël, F. Gigou, J.B. Ricco, J.M. Fichelle (*Paris, France*) ..... 43-49
- Aortiliac endarterectomy in young patients. J.M. Capdevila, M.A. Marco-Luque, M.A. Cairols, J. Rancano, J.M. Simeon (*Barcelona, Spain*) ..... 24-29

- Basic data related to clinical decision-making in abdominal aortic aneurysms. L.M. Taylor, J.M. Porter (*Portland, Oregon*) ..... 502-504
- Combined aortobifemoral and femoropopliteal bypass in the management of patients with extensive atherosclerosis. J. Eidt, D. Charlesworth (*Boston, Massachusetts and Manchester, United Kingdom*) ..... 453-460
- Coronary artery disease in patients with aortic aneurysm: a classification of 302 coronary angiograms and results of surgical management. J.R. Young, N.R. Hertzner, E.G. Beven, W.F. Ruschhaupt III, R.A. Graor, P.J. O'Hara, V.G. De Wolfe, J.R. Kramer, C.C. Simpfordorfer (*Cleveland, Ohio*) ..... 36-42
- Disseminated intravascular coagulation as a result of supraceliac clamping: implications for thoracoabdominal aneurysm repair. J.R. Cohen, L. Angus, A. Asher, J.B. Chang, L. Wise (*New Hyde Park, New York*) ..... 552-557
- Duodenal obstruction following abdominal aortic reconstruction. R.S.A. Lord, C. Nankivell, A.R. Graham, G.D. Tracey (*Sidney, Australia*) ..... 587-590
- Effects of isovolemic hemoludition on abdominal aortic aneurysmectomy in high risk patients. D.M. Shah, J.D. Corson, A.M. Karmody, R.P. Leather (*Albany, New York*) ..... 50-54
- Experimental and clinical experience with a gelatin impregnated Dacron prosthesis. J.K. Drury, T. R. Ahshton, J.D. Cunningham, R. Maini, J.G. Pollock (*Glasgow, Scotland*) ..... 542-547
- Exclusion-bypass for aneurysms of the descending thoracic and thoracoabdominal aorta. E. Kieffer, Ch. Petitjean, T. Richard, G. Godet, M. Dhobb, C. Ruotolo (*Paris, France*) ..... 182-195
- The first successful resection of an aneurysm of the abdominal aorta followed by re-establishment of continuity using a preserved human arterial graft. C. Dubost (*Paris, France*) ..... 147-149
- Interposition of a prosthetic patch to prevent aorto-enteric fistula. G.P. Deriu, E. Ballotta, L. Bonavina (*Padova, Italy*) ..... 509-511
- Management of pediatric visceral arterial and aortic coarctation. A.A. Shandall, D.M. Shah, A.M. Karmody, P.W. Leopold, J.D. Corson, R.P. Leather (*Albany, New York*) ..... 604-609
- Obturator bypass: a sixteen year experience with 55 cases. A. Nevelsteen, U. Mees, J. Deleersnijder, R. Suy (*Leuven, Belgium*) ..... 558-563
- Primary iliac artery aneurysm in a two-year-old girl. M.W. Moritz (*Detroit, Michigan*) ..... 392-395
- Rupture of abdominal aortic aneurysm into the inferior vena cava: a study of seven cases. L. Petetin, G.A. Pelouze, V. Mercier, B. Caracs, Cl. Vaislic, Cl. Evrard, D. Maiza (*Caen, France*) ..... 572-577
- Rupture of retroperitoneal hydatid cyst into the abdominal aorta. N. Hadjlat, A. Graba, H. Mansouri (*Oran, Algeria*) ..... 483-485
- Sealed versus unsealed knitted Dacron prostheses: a comparison of the acute phase protein response. R. Vohra, J.K. Drury, D. Shapiro, A. Shenkim, J.G. Pollock (*Glasgow, Scotland*) ..... 548-551
- The use of spinal cord stimulation for severe limb-threatening ischemia: a preliminary report. J.N. Graber, A. Lifson (*Minneapolis, Minnesota*) ..... 578-582

## CEREBRAL ARTERIES

## Carotid artery

- Basic data related to carotid endarterectomy. L.M. Taylor, J.M. Porter (*Portland, Oregon*) ..... 264-266
- Blood pressure aberrations associated with carotid endarterectomy. R. Englund, R.H. Dean (*Nashville, Tennessee*) ..... 304-310
- Blunt traumatic dissection of the internal carotid artery treated by balloon occlusion. A.G. Nordestgaard, G.H. White, S. Cobb, M. Mehringer, S.E. Wilson (*Torrance, California*) ..... 610-615
- The carotid web: a developmental anomaly of the brachiocephalic system. M.F. McNamara (*Detroit, Michigan*) ..... 595-597
- Detection of stenoses in the internal carotid artery by waveform analysis of continuous wave ultrasound signals (I). W.F. Tait, D. Charlesworth (*Manchester, United Kingdom*) ..... 98-104
- Detection of stenoses in the internal carotid artery by waveform analysis of continuous wave ultrasound signals (II). W.F. Tait, D. Charlesworth (*Manchester, United Kingdom*) ..... 105-111
- Duplex scanning for noninvasive assessment of both carotid luminal diameter and atheromatous plaque morphology. A.L. Leahy, M.C. Grouden, K.D. Mc Bride, S.R. Ryan, P.J. Cullen, J. Bennett, D.J. Moore, G.D. Shanik (*Dublin, Ireland*) ..... 465-468
- Hemodynamic study of internal carotid artery stenosis and occlusion: value of combined isotopic measurements of regional cerebral blood flow and blood volume. J.M. Derlon, G. Bouvard, B. Lechevalier, B. Dupuy, D. Maiza, P. Hubert, P. Courtheoux, J.C. Peres, J.P. Houtteville (*Caen, France*) ..... 86-97
- Intraoperative evaluation of PTFE, Dacron and autogenous vein as carotid patch materials. W.I. Carney, Jr.M.P. Lilly (*Providence, Rhode Island*) ..... 583-586
- Neurologic complications following carotid artery surgery: pathophysiology and predictive factors. A. Branchereau, F. Ondondong, J. Bordeaux, R. Sambuc (*Marseille, France*) ..... 79-85
- Noninvasive assessment of cerebrovascular disease. G.L. Moneta, D.C. Taylor, D.E. Strandness (*Seattle, Washington*) ..... 489-501
- Persistent carotido-hypoglossal artery associated with atherosclerotic stenosis treated by venous bypass. J.M. Cormier, M.C. Riché, F. Cormier (*Paris, France*) ..... 258-263
- Polytetrafluoroethylenebypass for revascularisation of the atherosclerotic internal carotid artery late results. J.M. Cormier, F. Cormier, C. Laurian, F. Gigou, J.M. Fichelle, B. Bokobza (*Paris, France*) ..... 564-571
- Rationale for simultaneous carotid endarterectomy and aortocoronary bypass. R.S.A. Lord, A.R. Graham, M.X. Shanahan, V. Chang, A.S. Reece, A.E. Farnsworth, D.S. Esmore, P. Spratt (*Sydney, Australia*) ..... 201-207
- Reproducibility of transcutaneous continuous-wave Doppler testing of the carotid arteries. A.C. Hayes, D.K. Mahler, M.S. Folds, M.A. Michellini, F.N. Littooy, W.H. Baker (*Maywood, Illinois*) ..... 469-473
- The short retropharyngeal route for arterial bypass across the neck. R. Berger (*Detroit, Michigan*) ..... 127-129
- Simultaneous revascularization of the internal carotid and vertebral arteries in their distal cervical segments. A. Branchereau, M. Ferdani, L. Scotti (*Marseille, France*) ..... 267-270

- Spectral analysis of EEG during carotid endarterectomy. L.V. Ivanovic, R.S. Rosenberg, V.L. Towle, A.M. Graham, B.L. Gewertz, C. Zarins, J.P. Spire (*Chicago, Illinois*) ..... 112-117

## Vertebral artery

- Endovascular treatment of vertebral arteriovenous fistulas in twenty-two patients. J.J. Merland, D. Reizine, M.C. Riche, L. Guimaraens, A. Laurent, J.P. Melki (*Paris, France*) ..... 73-78
- Simultaneous revascularization of the internal carotid and vertebral arteries in their distal cervical segments. A. Branchereau, M. Ferdani, L. Scotti (*Marseille, France*) ..... 267-270
- Subclavian steal syndrome in a congenitally anomalous subclavian artery: a case report. Ph. De Vleeschauwer, S. Horsch (*Koln, West Germany*) ... 389-391

## Intrathoracic great vessels

- Subclavian steal syndrome in a congenitally anomalous subclavian artery: a case report. Ph. De Vleeschauwer, S. Horsch (*Koln, West Germany*) ... 389-391

## ARTERIES OF THE LIMBS

## Upper limbs arteries

- Brachial artery entrapment: compression by the supracondylar process. H. Talha, B. Enon, J.M. Chevalier, Ph. L'Hoste, J. Pillet (*Angers, France*) ... 479-482
- A new cold test for the diagnosis of Raynaud's phenomenon. M. Vayssairat, Ph. Evenou, N. Baudot, P. Priollet, M. Gilard (*Paris, France*) ..... 474-478
- Subclavian steal syndrome in a congenitally anomalous artery: a case report. Ph. De Vleeschauwer, S. Horsch (*Koln, West Germany*) ..... 389-391

## Lower limbs arteries

- Aorto-femoral bypass with polytetrafluoroethylene prostheses: preliminary results in 363 cases. J.M. Cormier, C. Laurian, Y. Noël, F. Gigou, J.B. Ricco, J.M. Fichelle (*Paris, France*) ..... 43-49
- Arterial systolic pressures in critical ischemia. P.T. McCollum, V.A. Spence, W.F. Walker (*Dundee, United Kingdom*) ..... 351-356
- Basic data concerning associated coronary disease in peripheral vascular patients. N.R. Hertzner (*Cleveland, Ohio*) ..... 616-620
- Combined aortobifemoral and femoropopliteal bypass in the management of patients with extensive atherosclerosis. J. Eidt, D. Charlesworth (*Boston, Massachusetts and Manchester, United Kingdom*) ..... 453-460
- Early results of femoropopliteal bypass using a five millimeter «thin wall» polytetrafluoroethylene (Gore-Tex) prosthesis. G.T. Williams, C.J. Underwood, D. Charlesworth (*Manchester, United Kingdom*) ..... 208-213
- Endofibrosis of the external iliac artery in bicycle racers: an unrecognized pathological state. J.M. Chevalier, B. Enon, J. Walder, X. Barral, J. Pillet, A. Megret, Ph. Lhoste, J.P. Saint-André, M. Davin Roy (*Angers, Saint-Etienne, Lannion, France and Fleurier, Switzerland*) ..... 297-303

- Femoro-distal bypass for critical ischemia. Is the use of prosthetic grafts justified? P.L. Harris, H. Campbell (*Liverpool, United Kingdom*) ..... 66-72
- Femoropopliteal in situ saphenous vein bypass: technical aspects and factors determining patency. J.P. Becquemini, F. Haiduc, J. Labastie, D. Meliere (*Créteil, France*) ..... 432-440
- A five-to seven-year experience with externally-supported Dacron prostheses in axillofemoral and femoropopliteal bypass. G.A. Schultz, L.R. Sauvage, S.R. Mathisen, P.B. Mansfield, J.C. Smith, C.C. Davis, D.G. Hall, E.A. Rittenhouse, T.E. Kowalsky (*Seattle, Washington*) ..... 214-224
- Hemodynamics of in situ vein bypass: the role of side branch fistulae. P.A. Skudder, G.A. Rhodes (*Washington, DC, Bethesda, Maryland*) ..... 335-339
- The human umbilical vein graft in below-knee femoropopliteal and femorotibial surgery: an eight year experience. A. Nevelsteen, M. D'Hallewin, J. Deleersnijder, L. Wouters, R. Suy (*Leuven, Belgium*) ..... 328-334
- The influence of duplex scanning on early patency rates of in situ bypass to the tibial vessels. P.J. Cullen, A.L. Leahy, S.B. Ryan, K.D. McBride, D.J. Moore, G.D. Shanik (*Dublin, Ireland*) ..... 340-346
- Infrageniculate thin-walled PTFE bypass. Preliminary study of 53 cases. Barral, Ph. Youvarlakakis, C. Boissier (*Saint-Etienne, France*) ..... 347-350
- In situ versus reversed saphenous vein for femoropopliteal bypass: a prospective randomized study of 100 cases. J. Watelet, E. Cheysson, D. Poels, J.F. Menard, H. Papion, N. Saour, J. Testart (*Rouen, France*) ..... 441-452
- Late results of coronary bypass in patients presenting with lower extremity ischemia: the Cleveland Clinic study. N.R. Hertzner, J.R. Young, E.G. Beven, P.J. O'Hara, R.A. Graor, W.F. Ruschhaupt, L.C. Maljovec (*Cleveland, Ohio*) ..... 411-420
- Obturator bypass: a sixteen year experience with 55 cases. A. Nevelsteen, U. Mees, J. Deleersnijder, R. Suy (*Leuven, Belgium*) ..... 558-563
- Perigraft seroma following axillofemoral bypass: report of three cases. M. Buche, J.C. Schoevaerdts, P. Jaumin, R. Ponlot, C.H. Chaland (*Louvain, Belgium*) ..... 374-377
- Popliteal aneurysm: a celebration of the bicentennial of John Hunter's operation. D.C. Schechter, J.J. Bergan (*New York, New York and Chicago, Illinois*) ..... 118-126
- Primary iliac artery aneurysm in a two-year-old girl. N.M. Moritz (*Detroit, Michigan*) ..... 392-395
- The role of echocardiography in patients with acute peripheral arterial embolization. W.J. Fanning, P.S. Vaccaro, B. Satiani, W.L. Smead, B.M. Das (*Columbus, Ohio*) ..... 316-320
- Supraceliac aorta-to-lower extremity arterial bypass. X. Barral, P. Youvarlakakis, C. Boissier, G. Cavallo (*Saint-Etienne, France*) ..... 30-35

## RENAL ARTERY

- Abdominal and thoracic coarctation of the aorta with bilateral renal artery stenosis. M. Stelzner, S. Horsch, D. Beyer (*Koln, West Germany*) ..... 486-488
- Aneurysms of the renal artery and its branches. Cl. Mercier, Ph. Piquet, F. Piligian, M. Ferdani (*Marseille, France*) ..... 321-327
- Management of pediatric visceral arterial and aortic coarctation. A.A. Shandall, D.M. Shah, A.M. Karmody, P.W. Leopold, J.D. Corson, R.D. Leather (*Albany, New York*) ..... 604-609

## SPLANCHNIC ARTERY

- Aneurysm of the inferior mesenteric artery associated with occlusion of the celiac axis and superior mesenteric artery. P. Le Bas, M. Batt, J.M. Gagliardi, J. Bloch, R. Hassen-Khodja, J.P. Ceccanti, J. Kermarec (*Nice, France*) ..... 253-257
- Combined hepatic and gastric artery aneurysm: a case report and review of the literature. M.S. Weingarten, J.L. Noshier (*New Brunswick, New Jersey*) ..... 598-603
- Embolization of the mesenteric arteries: surgical treatment in twenty-three consecutive cases. T. Lazaro, L. Sierra, R. Gesto, W. Villafana, J. Fonseca, J. Porto, P. Lozano (*Madrid, Spain*) ..... 311-315
- Surgical approach to the superior mesenteric artery by the Kocher maneuver: anatomic study and clinical applications. Ph. Bonnichon, J.C. Rossat-Mignod, P. Corlieu, C. Aaron, T. Yandza, Y. Chapuis (*Paris, France*) ..... 505-508

## VEINS

- Comparison of cost effectiveness of Streptokinase and Urokinase in the treatment of deep vein thrombosis. R.A. Graor, J.R. Young, B. Risius, W.F. Ruschhaupt (*Cleveland, Ohio*) ..... 524-528
- Extrinsic arterial supply of the great saphenous vein: an anatomic study. F. Lescalié, I. Germouty, J.M. Chevalier, B. Enon, P. Moreau, J. Pillet (*Angers, France*) ..... 273-277
- Giant venous aneurysm associated with hypogastric arteriovenous malformation. F. Valdes, A. Kramer, M. Fava, F. Cruz, H. Croxatto (*Santiago, Chile*) ..... 143-146
- Intracaval and intracardiac leiomyomatosis of uterine origin. A. Mazzola, R. Grégorini, B. Procaccini, V. Moretti, R. Lucantoni, W. Lorenzi, G. Di Eusanio, M. Colombati (*Teramo, Italy*) ..... 134-138
- Patency after iliofemoral and iliofemoral venous thrombectomy. Cl. Juhan, B. Cornillon, F. Tobiana, S. Schlama, P. Barthelemy, J.P. Denjean-Massia (*Marseille, France*) ..... 529-533
- Predicting pulmonary embolism in postoperative patients with deep venous thrombosis of lower limbs. M. Monreal, V. Moreno, A. Martorell, E. Lafoz, M. Foz, J. Ruiz, R. Salvador (*Barcelona, Spain*) ..... 421-425
- Rupture of abdominal aortic aneurysm into the inferior vena cava: a study of seven cases. L. Petetin, Cl. Vaislic, Cl. Evrad, D. Maiza (*Caen, France*) ..... 572-577
- Thrombolytic therapy for venous thrombosis. J.N. Fiesinger (*Paris, France*) ..... 521-523
- Unusual approaches for insertion of the Greenfield vena cava filter: the value of its approach the jugulosubclavian junction. J. Combe, O. Destuynder, Ph. Poinard, M. Combe, P. Milleret (*Besançon, France*) ..... 364-368

## THORACIC OUTLET SYNDROME

- Transaxillary first rib resection. C. Mercier (*Marseille, France*) ..... 150-154
- Transaxillary sympathectomy. R. Berguer (*Detroit, Michigan*) ..... 155-156

## TRAUMA

- Blunt traumatic dissection of the internal carotid artery treated by balloon occlusion. A.G. Nordestgaard, G.H. White, S. Cobb, M. Mehrlinger, S.E. Wilson (*Torrance, California*) ..... 610-615

- Traumatic aneurysms of the descending thoracic aorta. H.M. Becker, J. Ramirez, V. Echave, G. Heberer (*Munich, West Germany*) ..... 196-200
- Vascular trauma in drug abuse: patterns of injury. P.R. Benitez, M.A. Newell (*Detroit, Michigan*) ..... 175-181

## ANEURYSM

- Anastomotic false aneurysms with aortic Dacron graft after twenty-five years. R. Guidoin, A.R. Downs, X. Barral, M. Marois, P.E. Roy, M. King, P. Eng, C. Gosselin (*Québec, Canada and Saint-Etienne, France*) ..... 369-373
- Aneurysm of the inferior mesenteric artery associated with occlusion of the celiac axis and superior mesenteric artery. P. Le Bas, M. Batt, J.M. Gagliardi, J. Bloch, R. Hassen-Khodja, J.P. Ceccanti, J. Kermarec (*Nice, France*) ..... 253-257
- Aneurysms of the renal artery and its branches. Cl. Mercier, Ph. Piquet, F. Pilgiani, M. Ferdani (*Marseille, France*) ..... 321-327
- Angiographically-induced infection of the aorta. P.J. Cullen, A.L. Leahy, K.D. McBride, D.J. Moore, G.D. Shanik (*Dublin, Ireland*) ..... 386-388
- Arterial manifestations in Behçet's disease: four new cases. M. Dhobb, F. Ammar, Y. Bensaid, A. Benjelloun, T. Benabderrazik, B. Benyahia (*Rabat, Morocco*) ..... 249-252
- Basic data related to clinical decision-making in abdominal aortic aneurysms. L.M. Taylor, J.M. Porter (*Portland, Oregon*) ..... 502-504
- Combined hepatic and gastric artery aneurysms: a case report and review of the literature. M.S. Weingarten, J.L. Noshier (*New Brunswick, New Jersey*) ..... 598-603
- Coronary artery disease in patients with aortic aneurysm: a classification of 302 coronary angiograms and results of surgical management. J.R. Young, N.R. Hertzner, E.G. Beven, W.F. Ruschhaupt III, R.A. Graor, P.J. O'Hara, V.G. De Wolfe, J.R. Kramer, C.C. Simpfendorfer (*Cleveland, Ohio*) ..... 36-42
- Disseminated intravascular coagulation as a result of supra celiac clamping: implications for thoracoabdominal aneurysm repair. J.R. Cohen, L. Angus, A. Asher, J.B. Chang, L. Wise (*New Hyde Park, New York*) ..... 552-557
- Duodenal obstruction following abdominal aortic reconstruction. R.S.A. Lord, C. Nankivell, A.R. Graham G.D. Tracey (*Sidney, Australia*) ..... 587-590
- Effects of isovolemic hemodilution on abdominal aortic aneurysmectomy in high risk patients. D.M. Shah, J.D. Corson, A.M. Karmody, R.P. Leather (*Albany, New York*) ..... 50-54
- Exclusion-bypass for aneurysms of the descending thoracic and thoracoabdominal aorta. E. Kieffer, Ch. Petitjean, T. Richard, G. Godet, M. Dhobb, C. Ruotolo (*Paris, France*) ..... 182-195
- Giant venous aneurysm associated with hypogastric arteriovenous malformation. F. Valdes, A. Kramer, M. Fava, F. Cruz, H. Croxatto (*Santiago, Chile*) ..... 143-146
- Long-range observations following two-stage occlusion of the descending thoracic aorta for Type III dissection. F. Robicsek, D.E. Allie (*Charlotte, North Carolina*) ..... 244-248
- Magnetic Resonance Imaging of aneurysms and chronic dissections of the thoracic aorta. P. Grenier, J.M. Pernes, M.T. Desbleds, J.L. De Brux (*Paris, France*) ..... 534-541
- Mycotic suprarenal aortic aneurysm. E.A. Suddleson, S.G. Katz, R.D. Kohl (*Pasadena, California*) ..... 426-431

- Popliteal aneurysm: a celebration of the bicentennial of John Hunter's operation. D.C. Schechter, J.J. Bergan (*New York, New York and Chicago, Illinois*) ..... 118-126
- Primary iliac artery aneurysm in a two-year-old girl. M.W. Moritz (*Detroit, Michigan*) ..... 392-395
- Surgical treatment of a tuberculous thoracoabdominal aneurysm. F. Bacourt, O. Goeau-Brissonnière, P. Lacombe, H. Parlier, M.C. Terestchenko (*Boulogne, France*) ..... 378-381
- Traumatic aneurysms of the descending thoracic aorta. H.M. Becker, J. Ramirez, V. Echave, G. Heberer (*Munich, West Germany*) ..... 196-200

## ARTERIOVENOUS FISTULA

- Endovascular treatment of vertebral arteriovenous fistulas in twenty-two patients. J.J. Merland, D. Reizine, M.C. Riche, L. Guimaraens, A. Laurent, J.P. Melki (*Paris, France*) ..... 73-78
- Giant venous aneurysm associated with hypogastric arteriovenous malformation. F. Valdes, A. Kramer, M. Fava, F. Cruz, H. Croxatto (*Santiago, Chile*) ..... 143-146
- Hair transplantation producing arteriovenous fistulization. L.R. Williams, J.K. Robinson, J.S.T. Yao (*Chicago, Illinois*) ..... 241-243
- Rupture of abdominal aortic aneurysm into the inferior vena cava: a study of seven cases. L. Petetin, G.A. Pelouze, V. Mercier, B. Caracs, C. Vaislic, C. Evrard, D. Maiza (*Caen, France*) ..... 572-577

## ARTERIAL EMBOLISM

- Embolization of the mesenteric arteries: surgical treatment in twenty-three consecutive cases. T. Lazaro, L. Sierra, R. Gesto, W. Villafana, J. Fonseca, J. Porto, P. Lozano (*Madrid, Spain*) ..... 311-315
- Gunshot pellet embolus to the middle cerebral artery. A. Bahnini, C. Petitjean, E. Kieffer (*Paris, France*) ..... 139-142
- The role of echocardiography in patients with acute peripheral arterial embolization. W.J. Fanning, P.S. Vaccaro, B. Satiani, W.L. Smead, B.M. Das (*Columbus, Ohio*) ..... 316-320

## INFECTION

- Angiographically-induced infection of the aorta. P.J. Cullen, A.L. Leahy, K.D. McBride, D.J. Moore, G.D. Shanik (*Dublin, Ireland*) ..... 386-388
- Intervertebral disk space infection following translumbar aortography. G. Fieve, J. Fays, J. Pourrel, C. Bernard (*Nancy, France*) ..... 382-385
- Mycotic suprarenal aortic aneurysm. E.A. Suddleson, S.G. Katz, R.D. Kohl (*Pasadena, California*) ..... 426-431
- Obturator bypass: a sixteen year experience with 55 cases. A. Nevelsteen, U. Mess, J. Deleersnijder, R. Suy (*Leuven, Belgium*) ..... 558-563
- Surgical treatment of a tuberculous thoracoabdominal aneurysm. F. Bacourt, O. Goeau-Brissonnière, P. Lacombe, H. Parlier, M.C. Terestchenko (*Boulogne, France*) ..... 378-381

## ATHEROSCLEROSIS

- Combined aortobifemoral and femoropopliteal bypass in the management of patients with extensive atherosclerosis. J. Eidt, D. Charlesworth (*Boston, Massachusetts and Manchester, United Kingdom*) ..... 453-460

- Duplex scanning for noninvasive assessment of both carotid luminal diameter and atheromatous plaque morphology. A.L. Leahy, M.C. Grouden, K.D. Mc Bride, S.R. Ryan, P.J. Cullen, J. Bennett, D.J. Moore, G.D. Shanik (*Dublin, Ireland*) ..... 465-468
- Late results of coronary by pass in patients presenting with lower extremity ischemia: the Cleveland Clinic study. N.R. Hertzner, J.R. Young, E.G. Beven, P.J. O'Hara, R.A. Graor, W.F. Ruschhaupt, L.C. Maljovec (*Cleveland, Ohio*) ..... 411-420
- Penetrating atherosclerotic ulcers of the thoracic aorta: natural history and clinicopathologic correlations. A.W. Stanson, F.J. Kazmier, L.H. Hollier, W.D. Edwards, P.C. Pairolero, P.F. Sheedy, J.W. Joyce, C.M. Johnson (*Rochester, Minnesota*) ..... 15-23
- Persistent carotido-hypoglossal artery associated with atherosclerotic stenosis treated by venous bypass. J.M. Cormier, M.C. Riché, F. Cormier (*Paris, France*) ..... 258-263

## NONATHEROSCLEROTIC ARTERIAL LESIONS

- Abdominal and thoracic coarctation of the aorta with bilateral renal artery stenosis. M. Stelzner, S. Horsch, D. Beyer (*Köln, West Germany*) ..... 486-488
- Aortitis presenting as Buerger's disease. Rodney A. White, Shi-Kaung Peng, Stanley R. Klein, Geoffroy White, Jouni Vitto (*Torrance, California*) ..... 591-594
- Arterial manifestations in Behçet's disease: four new cases. M. Dhobb, F. Ammar, Y. Bensaid, A. Benjelloun, T. Benabderrazik, B. Benyahia (*Rabat, Morocco*) ..... 249-252
- Brachial artery entrapment: compression by the supracondylar process. H. Talha, B. Enon, J.M. Chevalier, Ph. L'Hoste, J. Pillet (*Angers, France*) ..... 479-482
- Endofibrosis of the external iliac artery in bicycle racers: an unrecognized pathological state. J.M. Chevalier, B. Enon, J. Walder, X. Barral, J. Pillet, A. Megret, Ph. Lhoste, J.P. Saint-André, M. Davinroy (*Angers, Saint-Etienne, Lannion, France and Fleurier, Switzerland*) ..... 297-303
- Interposition of a prosthetic patch to prevent aorto-enteric fistula. G.P. Deriu, E. Ballotta, L. Bonavina (*Padova, Italy*) ..... 509-511
- A new cold test for the diagnosis of Raynaud's phenomenon. M. Vayssairat, Ph. Evenou, N. Baudot, P. Priollet, M. Gilard (*Paris, France*) ..... 474-478
- Rupture of retroperitoneal hydatid cyst into the abdominal aorta. N. Hadjati, A. Graba, H. Mansouri (*Oran, Algeria*) ..... 483-485
- Vascular trauma in drug abuse: patterns of injury. P.R. Benitez, M.A. Newell (*Detroit, Michigan*) ..... 175-181

## RADIOLOGIC INVESTIGATIONS

- Magnetic resonance imaging of aneurysms and chronic dissections of the thoracic aorta. P. Grenier, J.M. Pernes, M.T. Desbleds, J.L. De Brux (*Paris, France*) ..... 534-541

## ULTRASOUND

- Detection of stenoses in the internal carotid artery by waveform analysis of continuous wave ultrasound signals (I). W.F. Tait, D. Charlesworth (*Manchester, United Kingdom*) ..... 98-104
- Detection of stenoses in the internal carotid artery by waveform analysis of continuous wave ultrasound signals (II). W.F. Tait, D. Charlesworth (*Manchester, United Kingdom*) ..... 105-111

- Duplex scanning for noninvasive assessment of both carotid luminal diameter and atheromatous plaque morphology. A.L. LEAHY, M.C. Grouden, K.D. Mc Bride, S.R. Ryan, P.J. Cullen, J. Bennett, D.J. Moore, G.D. Shanik (*Dublin, Ireland*) ..... 465-468
- The influence of duplex scanning on early patency rates of in situ bypass to the tibial vessels. P.J. Cullen, A.L. Leahy, S.B. Ryan, K.D. McBride, D.J. Moore, G.D. Shanik (*Dublin, Ireland*) ..... 340-346
- Noninvasive assessment of cerebrovascular disease. G.L. Moneta, D.C. Taylor, D.E. Strandness (*Seattle, Washington*) ..... 489-501
- Reproducibility of transcutaneous continuous-wave Doppler testing of the carotid arteries. A.C. Hayes, D.K. Mahler, M.S. Foldes, M.A. Micheline, F.N. Littooy, W.H. Baker (*Maywood, Illinois*) ..... 469-473

## OTHER INVESTIGATIONS

- Arterial systolic pressures in critical ischemia. P.T. McCollum, V.A. Spence, W.F. Walker (*Dundee, United Kingdom*) ..... 351-356
- Hemodynamic study of internal carotid artery stenosis and occlusion: value of combined isotopic measurements of regional cerebral blood flow and blood volume. J.M. Derlon, G. Bouvard, B. Lechevalier, B. Dupuy, D. Maiza, P. Hubert, P. Courtheoux, J.C. Peres, J.P. Houtteville (*Caen, France*) ..... 86-97
- A new cold test for the diagnosis of Raynaud's phenomenon. M. Vayssairat, Ph. Evenou, N. Baudot, P. Priollet, M. Gilard (*Paris, France*) ..... 474-478

## MEDICAL MANAGEMENT

- Comparison of cost effectiveness of streptokinase and urokinase in the treatment of deep vein thrombosis. R.A. Graor, J.R. Young, B. Risius, W.F. Ruschhaupt (*Cleveland, Ohio*) ..... 524-528
- Intraoperative autotransfusion with a new disposable system. M. Imhoff, R. Schmidt, S. Horsch (*Köln, West Germany*) ..... 131-133
- Thrombolytic therapy for venous thrombosis. Jean-Noël Fiesinger (*Paris, France*) ..... 521-523
- The use of spinal cord stimulation for severe limb-threatening ischemia: a preliminary report. J.N. Graber, A. Lifson (*Minneapolis, Minnesota*) ..... 578-582

## ANESTHESIOLOGY

- Disseminated intravascular coagulation as a result of supraceliac clamping: implications for thoraco-abdominal aneurysm repair. J.R. Cohen, L. Angus, A. Asher, J.B. Chang, L. Wise (*New Hyde Park, New York*) ..... 552-557
- Effects of isovolemic hemodilution on abdominal aortic aneurysmectomy in high risk patients. D.M. Shah, J.D. Corson, A.M. Karmody, R.P. Leather (*Albany, New York*) ..... 50-54
- Intraoperative autotransfusion with a new disposable system. M. Imhoff, R. Schmidt, S. Horsch (*Köln, West Germany*) ..... 131-133

## SURGICAL TECHNIQUES

## Aorta - iliac arteries

- Aortic stump closure: a new technique. F. Bacourt, O. Goeau-Brissonnière, F. Koskas (*Boulogne, France*) ..... 271-272
- Aortoiliac endarterectomy in young patients. J.M. Capdevila, M.A. Marco-Luque, M.A. Cairols, J. Rancano, J.M. Simeon (*Barcelona, Spain*) ..... 24-29
- Aorto-femoral bypass with polytetrafluoroethylene prostheses: preliminary results in 363 cases. J.M. Cormier, C. Laurian, Y. Noël, F. Gigou, J.B. Ricco, J.M. Fichelle (*Paris, France*) ..... 43-49
- Combined aortobifemoral and femoropopliteal bypass in the management of patients with extensive arterosclerosis. J. Eidt, D. Charlesworth (*Boston, Massachusetts and Manchester, United Kingdom*) ..... 453-460
- Experimental and clinical experience with a gelatin impregnated Dacron prosthesis. J.K. Drury, T.R. Ashton, J.D. Cunningham, R. Maini, J.G. Pollock (*Glasgow, Scotland*) ..... 542-547
- Exclusion-bypass for aneurysms of the descending thoracic and thoracoabdominal aorta. E. Kieffer, Ch. Petitjean, T. Richard, G. Godet, M. Dhobb, C. Ruotolo (*Paris, France*) ..... 182-195
- The first successful resection of an aneurysm of the abdominal aorta followed by re-establishment of continuity using a preserved human arterial graft. C. Dubost (*Paris, France*) ..... 147-149
- Interposition of a prosthetic patch to prevent aorto-enteric fistula. G.P. Deriu, E. Ballotta, L. Bonavina (*Padova, Italy*) ..... 509-511
- Long-range observations following two-stage occlusion of the descending thoracic aorta for Type III dissection. F. Robicsek, D.E. Allie (*Charlotte, North Carolina*) ..... 244-248
- Sealed versus unsealed knitted Dacron prostheses: a comparison of the acute phase protein response. R. Vohra, J.K. Drury, D. Shapiro, A. Shenkin, J.G. Pollock (*Glasgow, Scotland*) ..... 542-547
- Supraceliac aorta-to-lower extremity arterial bypass. X. Barral, P. Youvarlakakis, C. Boissier, G. Cavallo (*Saint-Etienne, France*) ..... 30-35
- Surgical treatment of a tuberculous thoracoabdominal aneurysm. F. Bacourt, O. Goeau-Brissonnière, P. Lacombe, H. Parlier, M.C. Terestchenko (*Boulogne, France*) ..... 378-381
- Traumatic aneurysms of the descending thoracic aorta. H.M. Becker, J. Ramirez, V. Echave, G. Heberer (*Munich, West Germany*) ..... 196-200

## Aneurysm

- Exclusion-bypass for aneurysms of the descending thoracic and thoracoabdominal aorta. E. Kieffer, Ch. Petitjean, T. Richard, G. Godet, M. Dhobb, C. Ruotolo (*Paris, France*) ..... 182-195
- The first successful resection of an aneurysm of the abdominal aorta followed by re-establishment of continuity using a preserved human arterial graft. C. Dubost (*Paris, France*) ..... 147-149
- Popliteal aneurysm: a celebration of the bicentennial of John Hunter's operation. D.C. Schechter, J.J. Bergan (*New York, New York and Chicago, Illinois*) ..... 118-126
- Long-range observations following two-stage occlusion of the descending thoracic aorta for type III dissection. F. Robicsek, D.E. Allie (*Charlotte, North Carolina*) ..... 244-248

- Traumatic aneurysms of the descending thoracic aorta. H.M. Becker, J. Ramirez, V. Echave, G. Heberer (*Munich, West Germany*) ..... 196-200

## Carotid artery

- Basic data related to carotid endarterectomy. L.M. Taylor, J.M. Porter (*Portland, Oregon*) ..... 264-266
- Blood pressure aberrations associated with carotid endarterectomy. R. Englund, R.H. Dean (*Nashville, Tennessee*) ..... 304-310
- Intraoperative evaluation of PTFE, Dacron and antogenous vein as carotid patch materials. W.I. Carney, Jr.M.P. Lilly (*Providence, Rhode Island*) ..... 583-586
- Persistent carotido-hypoglossal artery associated with arterosclerotic stenosis treated by venous bypass. J.M. Cormier, M.C. Riché, F. Cormier (*Paris, France*) ..... 258-263
- Polytetrafluoroethylenebypass for revascularisation of the atherosclerotic internal carotid artery late results. J.M. Cormier, F. Cormier, C. Laurian, F. Gigou, J.M. Fichelle, B. Bokobza (*Paris, France*) ..... 564-571
- The short retropharyngeal route for arterial bypass across the neck. R. Berger (*Detroit, Michigan*) ..... 127-129
- Simultaneous revascularization of the internal carotid and vertebral arteries in their distal cervical segments. A. Branchereau, M. Ferdani, L. Scotti (*Marseille, France*) ..... 267-270
- Spectral analysis of EEG during carotid endarterectomy. L.V. Ivanovic, R.S. Rosenberg, V.L. Towle, A.M. Graham, B.L. Gewertz, C. Zarins, J.P. Spire (*Chicago, Illinois*) ..... 112-117

## Lower limbs arteries

- Early results of femoropopliteal bypass using a five millimeter «thin wall» polytetrafluoroethylene (Gore-Tex) prosthesis. G.T. Williams, C.J. Underwood, D. Charlesworth (*Manchester, United Kingdom*) ..... 208-213
- Endofibrosis of the external iliac artery in bicycle racers: an unrecognized pathological state. J.M. Chevalier, B. Enon, J. Walder, X. Barral, J. Pillet, A. Megret, Ph. Lhoste, J.P. Saint-André, M. Davin Roy (*Angers, Saint-Etienne, Lannion, France and Fleurier, Switzerland*) ..... 297-303
- Femoro-distal bypass for critical ischemia: is the use of prosthetic grafts justified? P.L. Harris, H. Campbell (*Liverpool, United Kingdom*) ..... 66-72
- Femoropopliteal in situ saphenous vein bypass: technical aspects and factors determining patency. J.P. Becquemin, F. Haiduc, J. Labastie, D. Meliere (*Créteil, France*) ..... 432-440
- Hemodynamics of in situ vein bypass: the role of side branch fistulae. P.A. Skudder, G.A. Rhodes (*Washington, DC, Bethesda, Maryland*) ..... 335-339
- The human umbilical vein graft in below-knee femoropopliteal and femorotibial surgery: an eight year experience. A. Nevelsteen, M. D'Hallewin, J. Deleersnijder, L. Wouters, R. Suy (*Leuven, Belgium*) ..... 328-334
- Infrageniculate thin-walled PTFE bypass: preliminary study of 53 cases. W. Barral, Ph. Youvarlakakis, C. Boissier (*Saint-Etienne, France*) ..... 347-350
- A five-to seven-year experience with externally-supported Dacron prostheses in axillofemoral and femoropopliteal bypass. G.A. Schultz, L.R. Savage, S.R. Mathisen, P.B. Mansfield, J.C. Smith, C.C. Davis, D.G. Hall, E.A. Rittenhouse, T.E. Kowalsky (*Seattle, Washington*) ..... 214-224

- In situ versus reversed saphenous vein for femoropopliteal bypass: a prospective randomized study of 100 cases. J. Watelet, E. Cheysson, D. Poels, J.F. Menard, H. Papiion, N. Saour, J. Testart (*Rouen, France*) ..... 441-452
- Obturator bypass: a sixteen year experience with 55 cases. A. Nevelsteen, U. Mees, J. Deleersnijder, R. Suy (*Leuven, Belgium*) ..... 558-563
- Perigraft seroma following axillofemoral bypass: report of three cases. M. Buche, J.C. Schoevaerdt, P. Jaumin, R. Ponlot, C.H. Chaland (*Louvain, Belgium*) ..... 374-377
- Popliteal aneurysm: a celebration of the bicentennial of John Hunter's operation. D.C. Schechter, J.J. Bergan (*New York, New York and Chicago, Illinois*) ..... 118-126

### Thoracic outlet syndrome

- Transaxillary first rib resection. C. Mercier (*Marseille, France*) ..... 150-154
- Transaxillary sympathectomy. R. Berguer (*Detroit, Michigan*) ..... 155-156

### Veins

- Patency after iliofemoral and ilio caval venous thrombectomy. Cl. Juhan, B. Cornillon, F. Tobiana, S. Schlama, P. Barthelemy, J.P. Denjean-Massia (*Marseille, France*) ..... 529-533
- Unusual approaches for insertion of the Greenfield vena cava filter: the value of its approach through the jugulosubclavian junction. J. Combe, O. Destuynder, Ph. Poinsard, M. Combe, P. Milleret (*Besançon, France*) ..... 364-368

### Splanchnic arteries

- Aneurysm of the inferior mesenteric artery associated with occlusion of the celiac axis and superior mesenteric artery. P. Le Bas, M. Batt, J.M. Gagliardi, J. Bloch, R. Hassen-Khodja, J.P. Ciccanti, J. Kermarec (*Nice, France*) ..... 253-257
- Embolization of the mesenteric arteries: surgical treatment in twenty-three consecutive cases. T. Lazaro, L. Sierra, R. Gesto, W. Villafana, J. Fonseca, J. Porto, P. Lozano (*Madrid, Spain*) ..... 311-315
- Surgical approach to the superior mesenteric artery by the Kocher maneuver: anatomic study and clinical applications. Ph. Bonnichon, J.C. Rossat-Mignod, P. Corlieu, C. Aaron, T. Yandza, Y. Chapuis (*Paris, France*) ..... 505-508

### INTERVENTIONAL RADIOLOGY

- Blunt traumatic dissection of the internal carotid artery treated by balloon occlusion. A.G. Nordestgaard, G.H. White, S. Cobb, M. Mehlinger, S.E. Wilson (*Torrance, California*) ..... 610-615
- Endovascular treatment of vertebral arteriovenous fistulas in twenty-two patients. J.J. Merland, D. Reirine, M.C. Riche, L. Guimaraens, A. Laurent, J.P. Melki (*Paris, France*) ..... 73-78

### BIOMATERIALS

- Anastomotic false aneurysms with aortic dacron graft after twenty-five years. R. Guidoin, A.R. Downs, X. Barral, M. Marois, P.E. Roy, M. King, P. Eng, C. Gosselin (*Québec, Canada and Saint-Etienne, France*) ..... 369-373
- Arterial substitutes: thirty years of success and failure. D.E. Szilagyi (*Detroit, Michigan*) ..... 357-363
- Aorto-femoral bypass with polytetrafluoroethylene prostheses: preliminary results in 363 cases. J.M. Cormier, C. Laurian, Y. Noel, F. Gigou, J.B. Ricco, J.M. Fichelle (*Paris, France*) ..... 43-49
- Early results of femoropopliteal bypass using a five millimeter «thin wall» polytetrafluoroethylene (Gore-Tex) prosthesis. G.T. Williams, C.J. Underwood, D. Charlesworth (*Manchester, United Kingdom*) ..... 208-213
- Experimental and clinical experience with a gelatin impregnated Dacron prosthesis. J.K. Drury, T.R. Ashton, J.D. Cunningham, R. Maini, J.G. Pollock (*Glasgow, Scotland*) ..... 542-547
- Femoro-distal bypass for critical ischemia. Is the use of prosthetic grafts justified? P.L. Harris, H. Campbell (*Liverpool, United Kingdom*) ..... 66-72
- A five-to seven-year experience with externally-supported Dacron prostheses in axillofemoral and femoropopliteal bypass. G.A. Schultz, L.R. Sauvage, S.R. Mathisen, P.B. Mansfield, J.C. Smith, C.C. Davis, D.G. Hall, E.A. Rittenhouse, T.E. Kowalsky (*Seattle, Washington*) ..... 214-224
- The human umbilical vein graft in below-knee femoropopliteal and femorotibial surgery: an eight year experience. A. Nevelsteen, M. D'Hallewin, J. Deleersnijder, L. Wouters, R. Suy (*Leuven, Belgium*) ..... 328-334
- Interposition of a prosthetic patch to prevent aorto-enteric fistula. G.P. Deriu, E. Ballotta, L. Bonavina (*Padova, Italy*) ..... 509-511
- Infraglenoid thin-walled PTFE bypass. Preliminary study of 53 cases. Barral, Ph. Youvarlak, C. Boissier (*Saint-Etienne, France*) ..... 347-350
- Intraoperative evaluation of PTFE, Dacron et autogenous vein as Carotid patch materials. W.I. Carney, Jr.M.P. Lilly (*Providence, Rhode Island*) ..... 583-586
- Perigraft seroma following axillo-femoral bypass: report of three cases. M. Buche, J.C. Schoevaerdt, P. Jaumin, R. Ponlot, Ch. H. Chaland (*Louvain, Belgium*) ..... 374-377
- Polytetrafluoroethylene bypass for revascularisation of the atherosclerotic internal carotid artery late results. J.M. Cormier, F. Cormier, C. Laurian, F. Gigou, J.M. Fichelle, B. Bokobza (*Paris, France*) ..... 564-571
- Sealed versus unsealed knitted Dacron prostheses: a comparison of the acute phase protein response. R. Vohra, J.K. Drury, D. Shapiro, A. Shenkin, J.G. Pollock (*Glasgow, Scotland*) ..... 548-551
- Short term in vivo stability of endothelial-lined polyester elastomer and polytetrafluoroethylene grafts. K.A. Kesler, M.B. Herring, M.P. Arnold, H.M. Park, S. Baughman, J.L. Glover (*Indianapolis, Indiana*) ..... 60-65
- The short retropharyngeal route for arterial bypass across the neck. R. Berguer (*Detroit, Michigan*) ..... 127-129

### SURGICAL RESEARCH

- Arterial healing in rabbits following carbon dioxide laser endarterectomy. J.P. Becquemin, N. Benhaïem-sigaux, P. Verta, J. Leandri, D. Loaisne (*Paris, France*) ..... 55-59

Experimental and clinical experience with a gelatin impregnated Dacron prosthesis. J.K. Drury, T.R. Ashton, J.D. Cunningham, R. Maini, J.G. Pollack ( <i>Glasgow, Scotland</i> ) .....	542-547	The bridge. H.H.G. Eastcott ( <i>London, United Kingdom</i> ) (Foreword) .....	12
Laser vascular welding. How does it work? R.A. White, G. Kopchok, S.K. Peng, R. Fujitani, G. White, S. Klein, J. Uitto ( <i>Torrance, California</i> ) .....	461-464	Introduction. R. Berguer ( <i>Detroit, Michigan</i> ), E. Kieffer ( <i>Paris, France</i> ) .....	11
Short-term in vivo stability of endothelial-lined polyester elastomer and polytetrafluoroethylene grafts. K.A. Kesler, M.B. Herring, M.P. Arnold, H.M. Park, S. Baughman, J.L. Glover ( <i>Indianapolis, Indiana</i> ) .....	60-65	Editorial. R. Berguer ( <i>Detroit, Michigan</i> ), E. Kieffer ( <i>Paris, France</i> ) .....	173
		The evolution of vascular surgery and the Nobel Prize. D.E. Szilagyi ( <i>Detroit, Michigan</i> ) .....	237-240
<b>MISCELLANEOUS</b>		Obituary: G. de Takats, J.J. Bergan ( <i>Chicago, Illinois</i> ) .....	157-158
A.N. Karmody 1937-1986. R.P. Leather ( <i>Albany, New York</i> ) (Obituary) .....	278	Vascular surgery: what was and what will be. R. Berguer ( <i>Detroit, Michigan</i> ) .....	225-229
